ACKNOWLEDGEMENT

I would like to acknowledge the contributions of the following people without whose help and guidance this report would not have been completed.

I acknowledge the counsel and support of our supervisor, **S. Siva Ramakrishna**, Sr. Asst. Professor, AI&DS Department, with respect and gratitude, whose expertise, guidance, support, encouragement, and enthusiasm has made this report possible. Their feedback vastly improved the quality of this report and provided an enthralling experience.

I am also thankful to **Dr. O. Rama Devi**, Head of the Department of Artificial Intelligence and Data Science Department, Lakireddy Bali Reddy College of Engineering, Mylavaram, for his constant encouragement, valuable suggestions and moral support and blessings.

This acknowledgement will remain incomplete if I fail to express our deep sense of obligation to my parents and God for their consistent blessings and encouragement.
